I am so glad to be a part of Elixir IAS since I have grown up intellectually to the mark, with ELIXIR TEAM. Timely one to one interaction is done. Another unique factor about ELIXIR IAS is the teachers. How student friendly they are! I can talk to them as if to my parents. These are the unique features that make this coaching academy number one in North Kerala.

ELIXIR IAS is a marvellous platform where the students get a golden chance to interact and learn. Unlike other civil services coaching centres, ELIXIR IAS gives each of the students personal support and will power that the students are made more aspirational than they were before. Daily quizzes, News analysis and Monthly tests are conducted so that the students can always be in touch with the course. The speaking and writing skills of the aspirants are improved and the instant doubt solving is another unique feature in ELIXIR IAS unlike any other coaching centres. The course includes the personal development and makes you work your level best...
